Mr. Ryan Poterack
Poterack Capitol Advisory

Dear Mr. Poterack:

***Congratulations, ... on becoming an authorized member of
AMA Insurance Agency's Trusted Source NetworkSM!***

This letter confirms that you have successfully completed all of the necessary requirements to become a member of the AMA Insurance Agency, Inc.'s Trusted Source Network. Through your affiliation with our strategic partner, M.D. Financial Services, Inc. (MDFS), you are now authorized to use the exclusive *Network Seal* to identify and market yourself as an approved member of our Network.

As a reminder, the Trusted Source Network was developed to provide physicians with well vetted, deeply experienced and highly respected sources of financial advice. This is, and will remain, a very exclusive array of professionals. I want to thank you for enduring the extensive screening and certification processes necessary to become a member; as you can imagine we've set the bar very high.

We're very pleased, and excited, to be working with you!

Sincerely,
